1.15 Service Package

- a. Any of the One Time Registration Fees are non-refundable upon cancellation or termination of the contract, regardless of remaining subscription period.
- b. Unless other specified by us, ViewQwest Fibre Broadband Bundle will be provided to subscriber for 24 months, and thereafter the monthly subscription as selected in this application form will continue automatically upon subscription expiry. ViewQwest is not liable for the subscription amount upon subscription expiry should subscriber choose not to re-contract after 21 months into the contract.
- c. Contract period will commence upon date of service activation.
- d. Subscribers may upgrade their service before 21st month of the contract period, only to a plan with a higher monthly subscription fee. Subscribers are not allowed to downgrade their service during the contract period. Once the upgrade is approved and processed, the original contract period will end and reset. Any remaining bill rebate, free subscriptions or any other freebies will be forfeited and replaced by those offered with the new contract. The new contract period will commence from the date of service activation of the upgraded service for another 24 months.
- e. Subscribers may re-contract their service after 21st month of the contract period, to a plan of a same or higher monthly subscription fee. Once the re-contract is approved and processed, the original fibre broadband contract period will end and reset. The new contract period will commence from the date of service activation of the upgraded service for another 24 months.
- f. Subscribers may downgrade only after completing the whole contract period.
- g. All Value-Added Services (except those with contractual period) can be subscribed to/terminated, at any point, regardless of the period of ViewQwest Fibre Broadband Service contract. Termination of any service has to be sent in to cs@viewqwest.com. Any verbal instruction shall not be honoured.
- h. From time to time the premium may be out of stock on the day of installation of the service. In such cases, ViewQwest undertakes to obtain the item and provide it to the subscriber within a reasonable time. Service provision and billing will be unaffected by this delay.
- i. ViewQwest will not be liable for any damages including loss of profits, revenue, business and anticipated savings for any service interrupted due to reasons beyond ViewQwest's control but not limited to any event of force majeure.
- j. ViewQwest will not be responsible for the performance of the subscriber's wireless connection speed. The wireless connection is subjected to environmental factors within the home, which include but not limited to walls, electronic devices, pillars and mirror. Wireless connection may fluctuate due to the factors mentioned above, which are not within ViewQwest's control. ViewQwest shall not be liable for any loss or damage due to such fluctuation. Subscriber is solely responsible for providing necessary equipment at his or her own cost to extend wireless coverage should the need arise.

1.16 NetLink Trust and ViewQwest Service Installation

- a. Should there be issues with the Fibre Termination Point, ViewQwest undertakes to liaise with NetLink Trust to resolve the issues but is not responsible and accountable for any delay in delivery of ViewQwest service as a result of the issues.
- b. Should the issue pertaining to Fibre Termination Point persists more than 15 days from the day the issue is reported, customer can choose to cancel ViewQwest service with no penalty fee.
- c. Should customer choose to cancel ViewQwest service upon successful NetLink Trust activation and prior to ViewQwest installation, he or she shall be liable to pay for the total monthly subscriptions for the remaining contract and the cost price of all the free promotional items given to the customer.
- d. ViewQwest pays Netlink Trust upfront for the FTP installation and the subscriber commits to reimburse ViewQwest through the "Fibre Termination Point installation – Monthly installment plan", if selected instead of the one-time payment. In the event that the subscriber terminates or recontract or upgrade their subscription before the end of this contract, the remaining charges shall apply.
- e. If no onsite installation is confirmed prior to NetLink Trust activation, ViewQwest onsite service installation date must be booked within 30 days of the NetLink Trust activation date. Failure to confirm on the onsite installation date will subject subscriber to the miscellaneous charge as stated in Table 1(b).
- f. If installation has been selected, subscriber or authorized representative has to be present during the scheduled installation appointment date and time at the service installation address. Failure to be available on the date of ViewQwest onsite installation appointment will result in subscriber being subjected to the miscellaneous charge stated in Table 1(b).
- g. There is no NetLink Trust installation on Sundays.
- h. To postpone ViewQwest onsite installation, subscriber will have to notify ViewQwest 5 working days in advance of the confirmed ViewQwest onsite installation appointment date. Subscriber is allowed to postpone the onsite installation date, as long as it is within 30 days of the initial onsite installation appointment date. Postponing of onsite installation for more than 30 days of the initial onsite installation date is subjected to management's approval. Should the postponement be approved, it will be at the discretion of ViewQwest to charge the subscriber the monthly subscription for the uninstalled period.
- i. Cancellation of confirmed ViewQwest onsite installation appointment after NetLink Trust activation date will subject subscriber to the miscellaneous charge as stated in Table 1(b).
- j. Should there be any additional installation or material required, it will be at the discretion of the subscriber and are not reimbursable by ViewQwest.
- k. Subscriber is to provide ViewQwest authorised personnel with assistance, co-operation, facilities and environmental conditions for installation of ViewQwest service. Such facilities include but not limited to housing of equipment, secure and constant electrical supply, back-up electrical supply and electrical necessities needed to enable the installation and activation of ViewQwest service.
- l. The Optical Network Unit (ONU) aka Modem is under warranty for the entire duration of the subscription. In case of loss, defects, damage, misuse, acts of God, accident or unauthorised alteration/repair, replacement of the ONU will be chargeable at \$267.50.
- m. ViewQwest reserves the right to replace any hardware, with an equivalent in terms of performance, without prior notice to the subscriber.
- n. ViewQwest will not be responsible for routers purchased from third parties nor existing on-premise cabling related to the provision of ViewQwest services.
- o. In the event that a subscriber opts to use an existing router that is supported, ViewQwest undertakes to install it free of charge, if it's part of the broadband bundle. If the router is not a supported model, ViewQwest undertakes to install it on a best-effort basis and will charge a fee upon successful installation. A successful installation is defined as the availability of Internet access via the router's Ethernet port(s) as well as internet access via Wi-Fi™ (if available on the router).
- p. ViewQwest installation and delivery are not available during Singapore Public Holidays.
- q. Self-installation of equipment for 1Gbps Fibre Broadband Bundle sign-up:
 - i. After NetLink Trust activation date, relevant equipment will only be delivered to customer's service address for self-installation. Onsite installation (i.e. ViewQwest engineer will be sent to premise to assist with installation) is chargeable at \$80 per trip for weekdays (9am to 6pm), \$120 for weekdays (6pm to 8pm) and Saturday (9am to 6pm).
 - ii. Should there be any high-loss issue (indicated by a red alarm light), customers are to call in to inform ViewQwest. ViewQwest will then arrange for an onsite visit to check on the issue. There will not be any onsite installation charge should it be genuine high loss issue.
 - iii. If equipment is faulty upon delivery, ViewQwest will arrange to replace the equipment. Arrangement to replace the equipment will not be chargeable should it be a genuine faulty equipment. Otherwise, a delivery fee of \$50 will be imposed to the customer.
 - iv. ViewQwest will charge a technical onsite case fee of \$150 if an onsite is scheduled by the subscriber for rectification of issues that are not supported by ViewQwest.
 - v. Customers will have to receive the equipment within 5 working days after the last delivery attempt by courier service. Failure to receive the items within 5 working days after last delivery attempt by courier service will subject subscriber to the miscellaneous charge stated in Table 1(b). Should customers wish to proceed with the installation, the equipment will have to be self-collected at ViewQwest Main Showroom.
 - vi. DPEX is the official courier service of ViewQwest for the delivery of the items. Should you have any enquiries regarding the delivery of your item, kindly contact DPEX at sin.cs@dpex.com or call +65 6781 8888.
 - vii. Tracking ID will be available for your information after your item is received by DPEX.
 - viii. ViewQwest only provides support for routers indicated in the Service Application and Agreement Form. No support assistance will be provided for any other unsupported routers.
 - ix. Billing will start 1 day after successful delivery of the relevant equipment.
 - x. ViewQwest will not be responsible whatsoever for delays in the delivery as handled by courier service.

Customers will be billed \$49.90/mth for Fibernet™ 1Gbps Freedom ASUS Lyra Mesh Plan after the stipulated contract term, unless this contract is replaced by a new service upon re-contract, or by a new service of greater value if the contract duration is less than 22 months.
- m. Monthly payment of \$59.90 for Fibernet™ 2Gbps Freedom ASUS Lyra Mesh Plan is effective for the 24month upon service activation. Customers will be billed \$59.90/mth for Fibernet™ 2Gbps Freedom ASUS Lyra Mesh Plan after the stipulated contract term, unless this contract is replaced by a new service upon re-contract, or by a new service of greater value if the contract duration is less than 22 months.
- n. Billing for Monthly Payment Plans will be done monthly and in advance for subscriber who opted for the monthly payment plan. The subscriber hereby agrees to pay ViewQwest for all charges incurred on their monthly invoice. All charges are calculated and billed as per listed here (valid as at the time signing this form).
- o. Subscriber is required to check the invoices sent to the registered email periodically. However, issuance of invoice is not compulsory for subscriber to make payment to ViewQwest.
- p. Bills are to be settled full within 7 net days from the bill date, as stated in the invoice. Failure to do so will result in suspension or termination of service registered under the subscriber's account, until full payment is made.
- q. Subscriber is responsible for verifying the accuracy of the bill and informing ViewQwest of any discrepancy within 7 net days from the bill date, failing which subscriber will be deemed to have accepted the bill as correctly rendered and final.
- r. If there is any dispute in the fees stated in the bill, subscriber must inform ViewQwest's billing department in writing within 7 net days from bill date. Upon acknowledging the dispute, ViewQwest will investigate the dispute and provide a response to the subscriber as soon as possible, and the decision will be conclusive and binding upon the subscriber. If the dispute is resolved in favour of ViewQwest, subscriber is liable to pay the disputed amount immediately.
- s. Subscriber is responsible for verifying the accuracy of the payment. Payment is done through deduction of subscription from the submitted Credit or Debit Card, or such other mode of payment as may be made available by ViewQwest from time to time.

1.18 Service Suspension and Termination

- a. Service Suspension
 - i. Service registered under the subscriber may be suspended due to non-payment or request by the customer.
 - ii. If subscriber fails to settle 2 bills consecutively, an email will be sent to the subscriber as a reminder for the missed payment.
 - iii. Subscriber may request to extend the due date or pay on a later date as reviewed and approved by ViewQwest on a case to case basis.
 - iv. If subscriber fails to settle the total amount within 3 days from the date of email or fails to pay on the later date, ViewQwest will contact the subscriber to inform about the suspension.
 - v. If there is no response by the subscriber, the service registered under the subscriber's account will be suspended without prior notice.
 - vi. If no payment is made within 14 days after the suspension, the service registered under the subscriber will be terminated with no prior notice and subscriber shall not have objection to the termination. ViewQwest might undertake necessary legal action against the subscriber to recover the amount due by the subscriber.
 - vii. The service registered under the subscriber will be fully restored only after subscriber has paid fully the total amount owing to ViewQwest.
 - viii. Subscriber may choose to suspend the service for no more than six months within the contract term, after which the monthly subscription plan charges will resume as per normal.
 - ix. There will be a recurring charge of \$16.05 (after GST) per month to the monthly bill during the requested suspension period.
 - x. The remaining contract term will be extended by the number of months the service was suspended.
 - xi. More Terms and Conditions can be found on the Temporary Suspension of Services Application Form.
- b. Service Termination
 - i. Service registered under the subscriber may be terminated with no prior notice due to non-payment, due to notice from subscriber to terminate the service with ViewQwest or any other reasons as a result of subscriber's negligence for the improper use of the service.
 - ii. Should there be any remaining free months of subscription in the case of early termination, subscriber will not be entitled to those months and is liable to reimburse ViewQwest for the total monthly subscriptions.
 - iii. A reactivation charge of \$79.25 must be paid in advance should the services be required again.
 - iv. Subscriber who wishes to terminate the service shall inform ViewQwest's Customer Service 7 days in advance of termination. The termination will be done within 3 to 5 working days upon return of all hardware or equipment provided (ONU, Patch Cable and Power Adaptor) in good working order and condition to ViewQwest's Main showroom, failing which ViewQwest may in its option deem the service (and any plans thereof) to be continuing at the full stipulated charges.
 - v. Subscriber who wishes to terminate the service before the 24th month will be liable for the total monthly subscriptions for the remaining months and termination penalties if applicable.
 - vi. Subscriber shall return all leased hardware or equipment (ONU, Patch Cable and Power Adaptor) in good working order and condition to ViewQwest, failing which, the equipment will be considered lost and the subscriber shall be liable to pay the applicable charges as stated herein.
 - vii. In the event subscriber terminates the Fibre Broadband Service registered under the subscriber, all Value Added Services shall also automatically be terminated. Subscriber shall be liable to pay all termination charges involved, if applicable.
